## Using Eximity with D2L

Set up your exam in D2L and make sure your exam has been made “active.” Next, send your course ID # to your dedicated account manager.

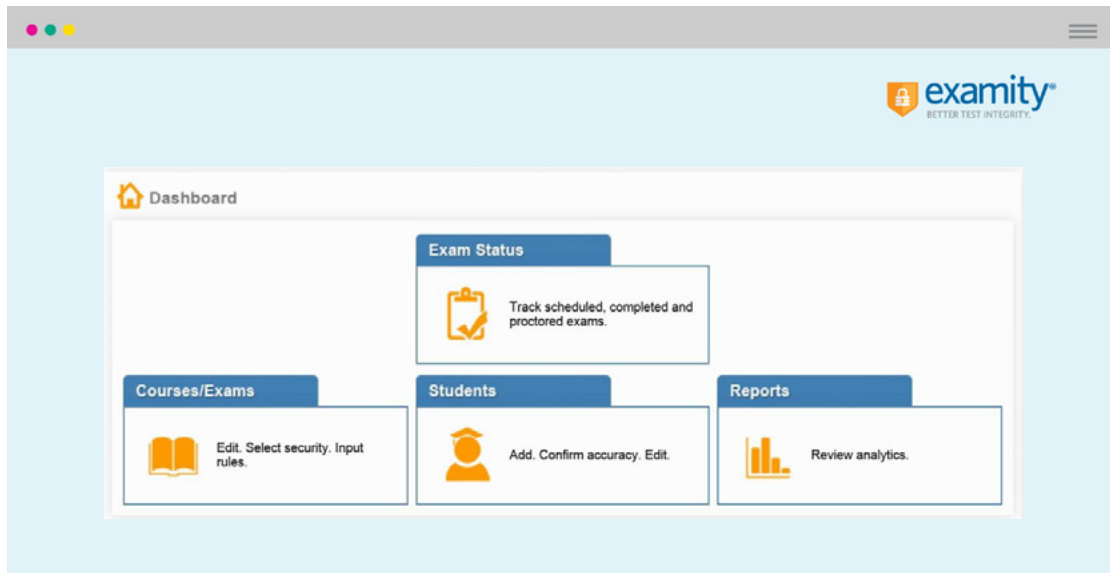

Your instructional designer will have to give you single sign-on access. Once you have access, select the name of your course in D2L. Next, click on the Eximity link.

The screenshot shows a D2L course interface for 'Course 1'. The top navigation bar includes 'Roster', 'Discussions', 'Awards', 'My Progress', 'Course Admin', and 'Help'. The main content area is titled 'Eximity' and shows a progress bar at '100 % 2 of 2 topics complete'. Below the progress bar, there is a list of items: 'Exam\_1 Quiz' and 'Eximity External Learning Tool'. The 'Eximity External Learning Tool' item is circled in red. The left sidebar contains navigation options: 'Overview', 'Bookmarks', 'Course Schedule', 'Table of Contents', 'Quiz', and 'Eximity'.

## Navigating Your Dashboard

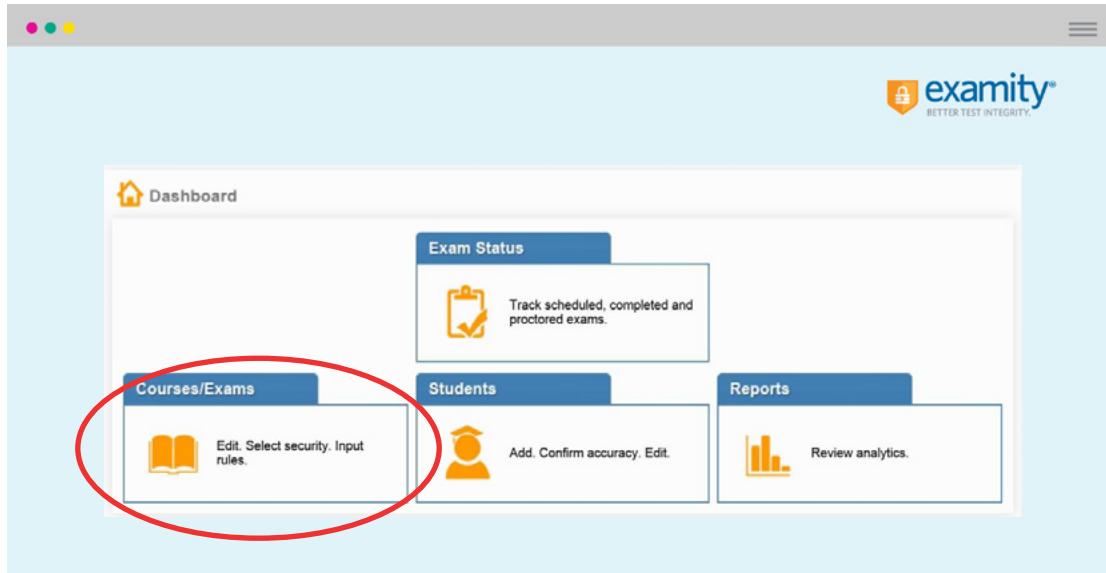

Your Examity dashboard offers your access to four key areas, outlined below.

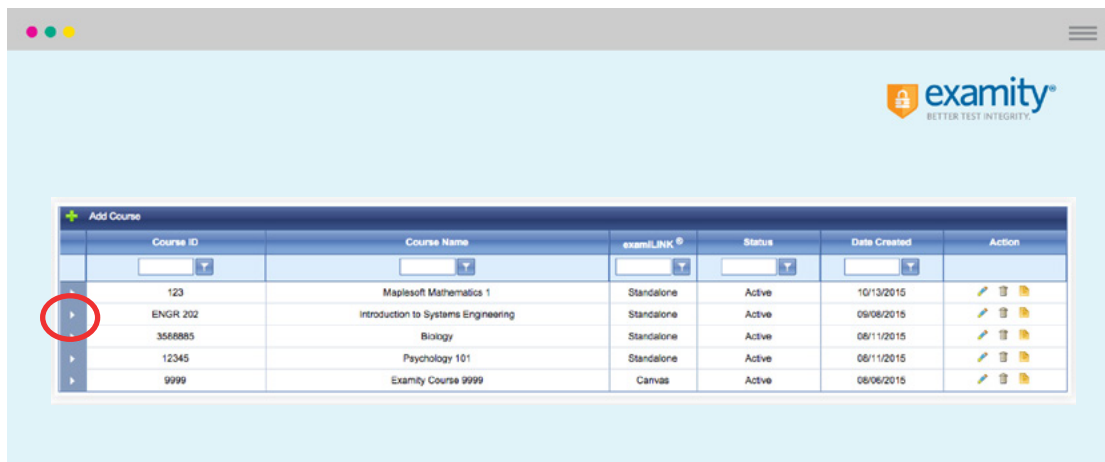

1. The **Courses/Exams** section provides you with access to edit exam items including: the start and end date of your exam, the proctoring security level, and specific exam instructions.
2. The **Students** section presents you with details on all students enrolled in your exam.
3. The **Exam Status** section allows you to track exam progress (e.g. scheduled and proctored exams). In addition, once an exam is completed, the Exam Status section houses all recordings of your proctored tests as well as time-stamped incident flags and comments.
4. The **Reports** section offers one-touch access to Examity's robust reporting and analytics. Here, you can explore a variety of real-time reports such as your "Exam Summary Report" where you can review scheduled, canceled and unscheduled appointments.

## Selecting Your Security Level and Tailoring Exam Rules

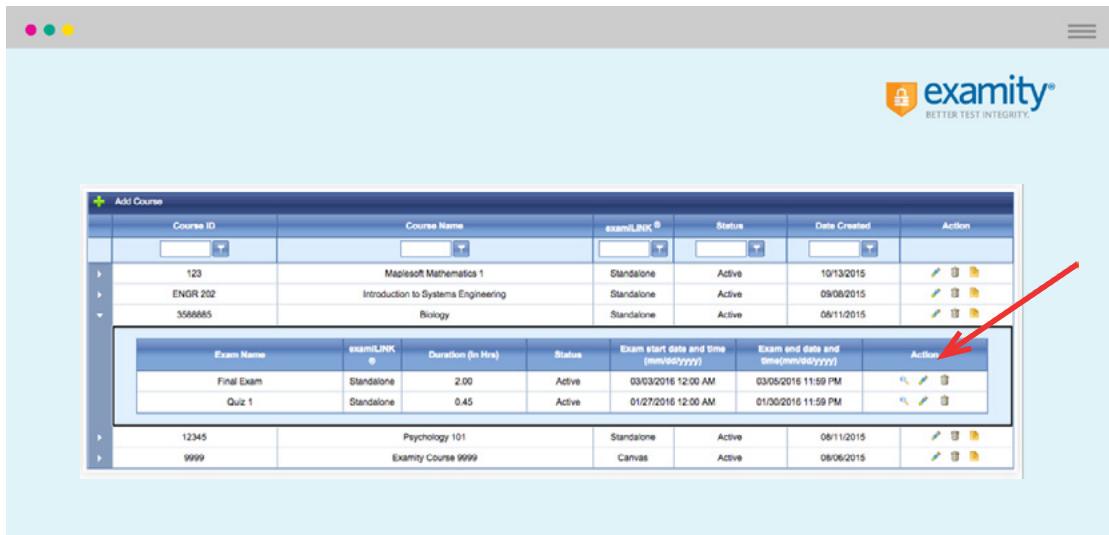

First, click on “Courses/Exams” in your dashboard.

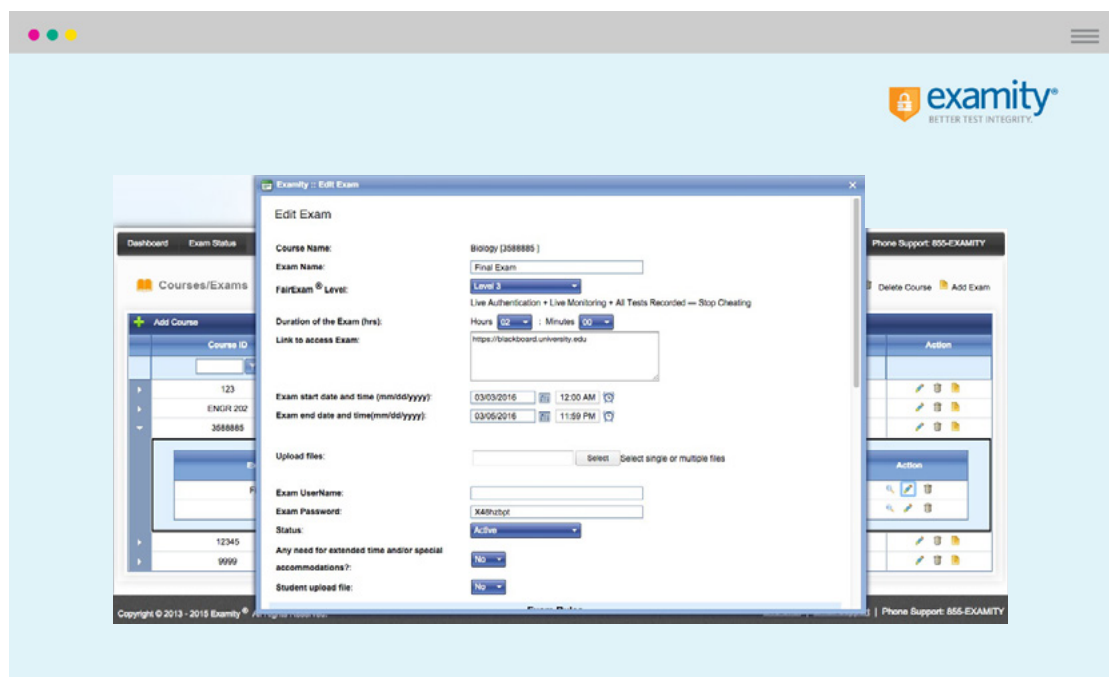

Next, click on the white arrow beside the course ID on the left-hand side.

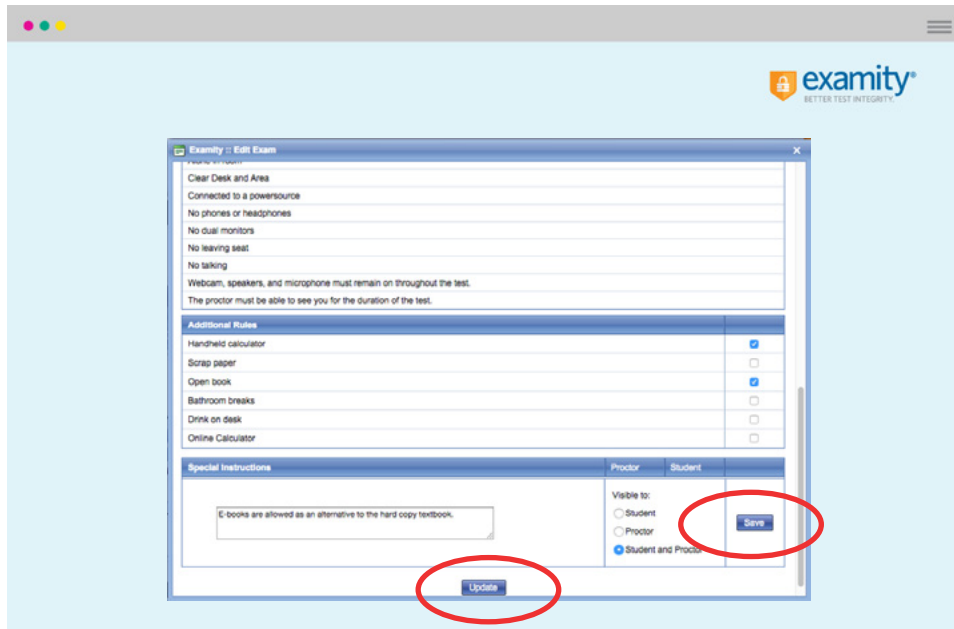

A list of exams within the course will drop down. Click on the pencil icon in the row of the exam you wish to edit.

A screen entitled "Edit Exam" will appear. Please verify your exam details here.

Scroll down to see the “Exam Rules” listed. In the “Additional Rules” section, check all boxes that apply. Enter any special instructions for the proctor and/or student in the “Special Instructions” text box.

To save information entered in the “Special Instructions” box, click “Save” before hitting “Update.”

## Special Accommodations

If students require test accommodations, you can make sure Examity is aware ahead of time by entering the information on the dashboard.

First, click on “Students” on the Examity dashboard.

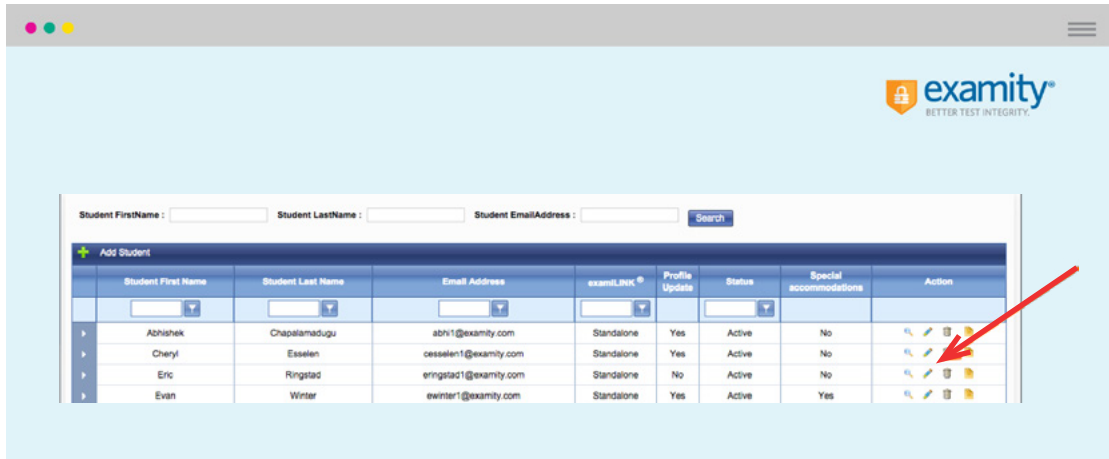

Next, click on the “Search” button.

For assistance, contact your Examity account manager, call **855-EXAMITY**, or email [support@examity.com](mailto:support@examity.com)

Then, click on the pencil icon located in the row of the student who requires the accommodation.

Select "Yes" from the "Special Accommodations" drop-down menu and enter the appropriate information.

## Tracking Exam Status

Check the status of proctoring appointments by clicking “Exam Status” in the Examity dashboard. You can see which students have completed their exams and whether they’ve committed any violations.

You can review exam session videos and comments by clicking the blue “View” link.

Recordings are available for 30 days and then removed from the Examity system to ensure privacy for all parties involved. Red-flagged exams will remain for one year.

The Examity flagging system provides instructors with a snapshot of what happened during each test.

The screenshot displays the Examity flagging system interface. At the top right, the Examity logo and tagline "BETTER TEST INTEGRITY." are visible. Below this is a video player showing a blurred Examity logo. Underneath the video player is a table with the following data:

Flag	Comments	Incident Time Stamp	Added By	Added On
Red	Reviewed by Auditor		Examity Auditor	8/11/2015 4:28:22 PM
Red	Study materials visible.	06:08	Examity proctor1	8/11/2015 4:27:40 PM
Yellow	Frequent eye/head movement.	03:05	Examity proctor1	8/11/2015 4:25:35 PM
Green	Authentication completed.		Examity System	8/11/2015 4:22:44 PM

- Green flags are raised for significant steps where there is no incident.
- Yellow flags are issued when a rule is broken but cheating does not necessarily take place.
- Red flags are given when the student exhibits clear cheating behavior.
- Blue alerts are reported when a technical issue arises.
