Test-taker Automated Proctoring Quick Guide

Before Your Exam

Confirm you meet system requirements: Access to a desktop, Chromebook or laptop computer (tablets and mobile devices not supported); a built-in or external webcam, microphone, and speakers; an upload and download speed of at least 2Mbps; Google Chrome as your browser

You **do not** need to schedule in advance to take an automated exam

Step 1:
Navigate to your Examity dashboard
- Receive an ACCUPLACER voucher code via email
- Click the Examity link and enter your information
- Receive an email from Examity with a link to activate your account
- Log into Examity, build your profile, and schedule your exam

Step 2:
Create your Examity profile
- Select your timezone. Enter your phone number and birth date
- Upload a picture of your ID
- Choose security questions

Step 3:
Taking Your Exam
- Enter voucher code and press "submit"
- Click "Start Exam"

Step 4:
Start Exam
- Perform system check
- Install Examity extension
- Grant permissions

Step 5:
Verify Your Identity
- Take your picture
- Snap a photo of your ID
- Answer security questions
- Review and agree to exam rules

Step 6:
Launching the Exam
- Share your screen
- Learn your Examity sidebar navigation
- Start your exam
- Minimize your Examity sidebar

Step 7:
Submit Your Exam
- Once your test is complete, click "Continue" to see your score report
- Select "End Proctoring" or close the Examity webpage to uninstall the Examity browser extension
