Seamless and secure online proctoring

Examity is a proven leader in the online proctoring space. Our solution gives you the flexibility to choose the security level for each and every exam, whether it's a quiz, midterm, or final. Examity serves as an extension of your team and provides the highest level of support to you and your test-takers every step of the way.

Our industry low student-to-proctor ratio and little to no wait times to meet a proctor provide the best experience for test-takers. And, we never switch proctors during the live authentication and throughout the exam, making the process faster and easier.

Test integrity, where and when you need it.

Premium Privacy & Security
Privacy, security, and trust have always been at the forefront of Examity's core values. Examity complies with international privacy regulations and laws, meaning you can feel secure that our practices meet the highest standards for online proctoring.

Integration
Examity can be implemented with any test delivery platform. Our simple and straightforward approach includes a single sign-on for all users, presenting a seamless experience for test-takers, instructors, and administrators.

Flexibility
When it comes to test integrity, one size does not fit all. Rather than offer just one proctoring style, Examity's platform allows clients to seamlessly select the level that best fits their needs.

Comprehensive Support
Examity provides 24/7 scheduling with support via live-chat, telephone and email, resulting in 90%+ client retention and 85% of test-takers 'satisfied' or 'extremely satisfied'.

Test-taker Experience
Everything we do is focused on putting the test-taker experience first. That's why we have less than two minute wait times, a low student-to-proctor ratio that leads the industry, and a support team that resolves 90% of inquiries on the first call. No wonder why 85% of test-takers have said they are either extremely satisfied or satisfied with working with us.

Full Service Partner
Examity is more than just a vendor. We continually engage with our clients to develop a program that is right for them. Our real time support and detailed auditing of every exam saves our partners time and money and provides a relationship built on trust.
