3. Select and answer three challenge questions.

Your profile has now been created. You should see a confirmation screen. Before proceeding to the exam dashboard, we encourage you to perform a system check to see if your system meets Examity requirements. You can do so by clicking **"Check If Your System Meets Examity Requirements"** and following the process.

Navigating Your Dashboard

Once your profile is created, you will be directed to the Examity dashboard. There, a system check will automatically be performed in order to determine that your system meets Examity requirements. If all icons turn green, then your system is ready to test.

If any of the icons turn red with an exclamation point, it means that that part of your system does not pass Examity requirements. You can click on the red text in the gray box to view steps that you can take to ensure that your system meets our requirements.

REMINDER: You cannot take an exam if one or more parts of your system do not meet Examity requirements.

The Examity dashboard is where you will schedule, reschedule, cancel, and start exams. In addition, your dashboard offers access to edit your profile information.

Please note: Exams that do not require scheduling will simply say **"Start Exam"** at the bottom of the exam card.

Taking Your Exam

On the day of your exam, locate the exam card and select "Start Exam."

You will be sent to a new screen where you will be asked to run through a few steps to install the Examity extension, grant permissions, verify your ID, answer a challenge question, review exam rules, and approve our user agreement.

REMINDER: Before you start your exam, please confirm that you are accessing Examity through Chrome. If you are not using this browser, please restart your exam session in Chrome.

1. Browser Extension: Please follow the prompts to add the Examity extension to your browser. Then, click **"Next."**

REMINDER: In most cases, the extension will remove itself after every exam session.

2. Grant Permissions: Click on the **"Grant Permissions"** button. You may need to perform this step twice: Once to grant permissions to the Chrome browser, and once to grant permissions to the extension.

A pop-up will appear to give Examity access to your camera and microphone. Please select **"Allow."** After both green check marks appear, you can then click **"Continue."**

3. Identity Verification: Identity verification may take one or two steps to complete, depending on what your test sponsor has chosen for the exam. Usually, you first take an image of yourself for facial verification. First, position your face in front of your webcam. Then, click **"Take Photo."** Then, click **"Use Photo and Continue**," or select **"Retake Photo"** if needed.

After, you will need to verify your photo ID that you uploaded while creating your profile. Hold the photo ID in your webcam's view. Once ready, click **"Take Photo."** You can also retake the picture if needed, or click **"Use Photo and Continue."**

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email **<u>support@examity.com</u>**, or call our **<u>test-taker support team</u>**.

4. Challenge Question: Answer a previously selected challenge question. Once you have entered your answer, click **"Next."**

Your Challenge Question	
Answer the question below using the response you gave	when creating your account. You'll have three chances to answer correctly. Use our Live Chat feature if you need help.
What is your favorite flavor of ice cream?

5. Review Rules: Take a moment to review all exam rules and special instructions. If your test sponsor uploaded materials for this exam, you will download them under **"Download Exam Support Files."** Then, click **"I'm Ready."**

Prepare for your Exam			
It's important to make sure your space is prepared	before the proctor session starts. Please pay attention to any special instructions you	u may have	been given here.
0	Review the exam rules and guidelines	2	Review Special Instructions
	Clear your desk and the surrounding area		
	Stay connected to a power source		
	No phones or headphones		
	No dual monitors		
	No leaving your seat		
	You must be alone in the room		
	No Talking		
	You must stay in view of the webcam for the duration of the test		
	Your webcam, speakers, and microphone must remain on throughout the test		
	Scrap paper		
	Open book		
	I'm Ready		

6. User Agreement: Next, read and agree to Examity's user agreement by clicking **"I agree and I'm ready to begin the exam."**

For assistance, chat directly with us through the Live Chat feature on the Examity dashboard, email **support@examity.com**, or call our **test-taker support team**.

7. Launch and Share Your Screen: At this point, you'll be prompted to share your screen. First, click "Launch."

Then, select your screen to share. Please select the **ENTIRE SCREEN**. Then, click **"Share."** You will then be taken to the test platform.

Choose what to share on.ttui.examity.com wants to share the contents of your screen.		
Entire Screen		
	Cancel	Share

Some exams may require a password or access code. If prompted for a password, click on the "Insert Password/Access Code" button in the sidebar. You should only click on the button when you're on the password entry page. Once the password has been filled into the password field, click "Confirm."

How to Use the Examity Sidebar

The Examity sidebar provides one-click access to everything you need for proctoring, including inserting the password, instructions, rules, and ending your exam.

The Home icon on the left has instructions based on where you are in the proctoring process, as well as the exam's rules.

The Help and Tips section gives you the option to:

- Chat with or contact our 24/7 test-taker support team
- Insert the exam's password or access code
- View the "Learning Your Sidebar" tutorial
- Check your camera and microphone

The down arrow will allow you to collapse (and later expand) the Sidebar. The right and left arrows allow you to place the Sidebar on the left or right side of your screen.
